

SKY2.0

SKY20

**Sky Management** presents a state of the art innovative entertainment venue.

Daring to be different, **SKY2.0** is a striking standalone, open-air venue anchored in the heart of dubai design district.

**SKY2.0** is unlike any other venue; it is an experiential trailblazer that promises an unforgettable evening under the stars.

World-class entertainment, ground-breaking technology and exemplary service are all guaranteed.

# THE VENUE

**SKY2.0**'s architecture breaks free from the mould, a collaboration between ceo of sky management Chafic El Khazen and french architect Michelle Sarfati, it pushes the boundaries of design.

---

Innovative and unique, **SKY2.0** provides a stellar Experience that is all consuming!

Cutting-edge technology, including bendable screens, epic lighting design and a pulsating sound system that wrap the walls of the sphere-shaped venue, ensure that everyone feels truly immersed in the exhilarating **SKY2.0** experience.
